Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at http://about.jstor.org/participate-jstor/individuals/early-journal-content.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

CONTENTS

A Preliminary Report on the Uniondae of St. Joseph River.—*Francis Wenninger* ---- 1

Notes on the Genus Atrypa, with Descriptions of New Species—*Clement L. Webster, M. Sc.* ---- 13

The Winters of North-Central Iowa.—*Howard Clark Brown* ---- 21

Birds Observed at Rum Village on October 7, 1920—*Brother Alphonsus, C. S. C.* ---- 26

Indiana Audubon Society—*Frank C. Evans* ---- 28

Some Species of Podosemum—*Benjamin Franklin Bush* ---- 29

Mondo, Adans—*Oliver Atkins Farwell* ---- 41

Plants of Fargo, North Dakota, with Dates of Flowering—*O. A. Stevens* ---- 54

Bird Migration Record—*Brother Alphonsus, C. S. C.* ---- 63

Fall and Winter Birds of Northfield, Minnesota, 1920-1921—*J. W. Hornbeck* ---- 69

A Survey of the Naturalistic Periodical Literature of America—*Howard Clark Brown* ---- 74

Plants of Fargo, North Dakota, with Dates of Flowering—*O. A. Stevens* ---- 79

The Origin and Development of the Earth—*Carroll Lane Fenton* ---- 101

Nomenclatorial Notes on Certain American Plants I.—*Homer D. House* ---- 126

Plants of Fargo, North Dakota, with Dates of Flowering—*O. A. Stevens* ---- 135

Albino Robins at Notre Dame—*Brother Alphonsus, C. S. C.* ---- 157

Recent Botanical Publications from the United States National Museum—*Theo. Holm* ---- 165

Notes on the Habits of the Soft-Shell Turtle—Amyda Mutica—*J. F. Muller, J. H. U.* ---- 180

Book Reviews—*Carroll Lane Fenton* ---- 159, 185
